

Dear Friends of Engineers Without Borders (EWB),

The EWB–Las Vegas Professional Chapter is partnering with the Disaster Relief Volunteers Of Ghana (DIVOG) to design, build and support a humanitarian building project for the Drifting Angels Orphanage in Ghana, West Africa. Our project will contribute to the quality of life for more than 60 orphans in the nation of Ghana by providing an orphanage, washroom and latrine, and a well/pump station.

The EWB–Las Vegas Professional Chapter is comprised of professionals from more than 40 local engineering firms and public agencies. Please join our members, in this non-profit organization, as we implement a sustainable global water project for the children of the Drifting Angels Orphanage. The construction of this project will increase the capacity for this orphanage to serve impoverished children.

You can be a part of this change to the world by sponsoring our chapter and its projects at the following levels of participation. Sponsors of \$500 or more will include your company logo on the EWB-LVP website.

\$100 Ground Supporter	Thank you for supporting an individual child's basic necessities at the Drifting Angel Orphanage.
\$250 Foundation Builder	Your support will go toward building supplies for the construction project.
\$500 Steward of Resource Reclamation	Solid waste management will allow the orphanage to have a cleaner and safer environment for the 60 children who live there year-round.
\$1000 Clean Water Provider	Help build a sustainable water supply for the orphanage and a source of revenue to sell water to neighboring villages.
\$5000 Champion of Sustainability	Help us construct an orphanage for living quarters, teaching and shelter for our friends in Ghana, West Africa.

All Champions of Sustainability will have their names memorialized on a plaque when the building project is complete.

Donations may be made on-line at <http://ewb-lv.org/> or mail your tax deductible check to: EWB-LV P.O. Box 27808 Las Vegas, NV 89126
